Foreword

The Publications Department of Jordan College of Music wishes to present this book as a tribute to the high achievements attained by both the Administration and the Student Body during the year 1949-50.

As the seniors leave us to go to their new fields of endeavor, we wish them every success.

EVAN WALKER

Emsley W. Johnson's untimely death on April 11, 1950, came as he was completing his twenty-second year as an outstanding member of the Board of Trustees. During that time he took a great deal of pride in the growth and progress of the college, and took an active part in making that advancement possible.

Dedication

We would like to dedicate this book to the Chairman of the Board of Trustees, Mr. Hilton U. Brown who, by his untiring efforts and genial personality, has done much towards the progress of the school.
